RULES FOR COMPUTING TIME

Ancient Craft Masons commence their era with creation of the world, calling it Anno Lucis (A.L.) "in the year of Light."

Add 4000 years to common time, thus: 1972 plus 4000 equals 5972.

Scottish Rite—Same as Ancient Craft, except the Jewish chronology is used. Anno Mundi (A.M.) "in the year of the World."

Add 3760 to the common era, thus: 1972 plus 3760 equals 5732. After September add another year.

Royal Arch Masons date from the year of the Second Temple which was commenced by Zerubabel. Anno Inventionis (A.Inv.) "in the year of Discovery."

Add 530 years to common time, thus: 1972 plus 530 equals 2502.

Order of High Priesthood dates from the year of the blessing of Abraham by the High Priest Melchizedek. Anno Beneficio (A. Beo.) "in the year of the blessing." To the Christian era add 1913, the year of blessing, B.C. thus: 1972 plus 1913 equals 3885.

Royal and Select Masters date from the year in which the Temple of Solomon was completed Anno Depositionis (A. Dep.) "in the year of Deposit." Thus 1000 plus 1972 equals 2972.

Knights Templar commence their era with the organization of their Order. Anno Ordinis (A.O.) "in the year of the Order."

From the Christian era take 1118, thus: 1118 from 1972 equals 854.
